For the return of second-hand equipment please note the following:

- 1) Please fill out this form completely.
- 2) Further fill out form FM70 „declaration of no objection“, which is available to download from our homepage, completely, To protect our employees and for the correct disposal of old devices we must know, which kind of medium the respective device has been contaminated with. Only cleaned and neutralized devices will be accepted.
- 3) Print out both forms. They must be enclosed when the item is returned.
- 4) Send the second-hand equipment to:

Becker DMT GmbH & Co. KG  
Heinrich-Diehl-Str. 26  
90552 Röthenbach a. d. Pegnitz

### Indication

This returns system is exclusively intended for electrical and electronic equipment produced by the **Becker DMT GmbH & Co. KG**. Devices from other vendors are excluded from the taking back and will be returned at the expense of the customer.

We will only use your information for the processing of the taking back.
